The Notice to File Missing Parts of Non-Provisional Application dated February 12, 2001 required payment of \$2818, including total additional claim fees in the amount of \$1978. The additional fees included \$1548 "for 86 total claims over 20." However, there are only 66 claims in this application so the additional claims fees should only include \$828 for 46 claims over 20, and the balance due should be \$2098 instead of \$2818.

Applicants request that the Notice to File Missing Parts be corrected to restate the proper amount due and that a new period of time be set for satisfying the Notice to File Missing Parts.
